

CHURCH MODULE DASHBOARD

INTRODUCTION

The Ezra Church dashboard has been designed to allow the user to change, update, and modify the information stored about a specific church in Ezra. To access the dashboard, login to Ezra and select the Churches icon on the dashboard.

MODULE LAYOUT/ OVERVIEW

The top header contains a dropdown box that allows the user to select the church that they want to see. For most users, this will only contain one choice.

The secondary header displays the name of the church.

Adamsville United Methodist Church

Panels appear below the headers when selected.
