Thurs., May 14th at 2:00 p.m.

Right now, you're providing worship alternatives, maintaining community, and providing care to meet the growing needs of your people. But you're also looking at "What's next?"

Join Mike Morley (Michigan Conference Cokesbury Resource Consultant) and Aaron Harris (Amplify Specialist for Cokesbury) for a special webinar on **Thursday, May 14th at 2:00 p.m.** We will discuss the resource needs of our churches during COVID-19 and recommend some tools that may be of use to your ministry now and in the future.

Amplify is a multimedia platform from Cokesbury that...

- Offers churches unlimited access to Bible studies, inspiring videos, and kids shows
- Provides a reliable source of Christian content through a Wesleyan lens for teaching, training, and inspiration in a customizable library
- Provides churches with a means to live stream their services
- And much more
