

2020 UMC Administrative Assistant Annual Retreat

September 26th & 27th

Registration Information Visit mi-aim.org

Blooming where we are planted

We cannot care for one another without caring for ourselves. We will be exploring the ways to celebrate life, breathe through the hard times, and create a culture of joy through the community of faith and our relationship with Christ. We will discover ways to bloom and thrive where we are in each moment of our lives. Be prepared to laugh, cry and rejoice together.

Guest Speaker:

Rev. Christy White
