

# What's In My Bible?

1. Your Bible is a special library of books, inspired by God and written by people.
2. The Bible has 2 parts – the Old Testament (or Hebrew Bible) and the New Testament. There are 39 books in the Old Testament and 27 in the New Testament.
3. Because there are so many books and sentences, the Bible has chapters and verses to help us find specific scriptures. The chapter is the BIG number and the verse is the small number.
4. Let's practice!
5. Find the very first book of the Bible – Genesis
6. Now look for chapter 1 (the big number) and verse 3 (the small number).
7. Read the verse! Is it about light? You found it!
8. Here are more verses you can practice with:
  - i. Psalm 100:4
  - ii. Matthew 28:19
