

General Church Numbers (GCNOs)

Your GCNO, also known as your GCFA number, is your username when logging in to ACStats <https://stats.gcfa.org>

- Satellite locations report through their parent church; new church starts and mission churches do not report. These exempt churches are highlighted in grey.
- Church name may begin with its location - e.g. for Faith UMC, check Grand Rapids, Coleman, Monroe, Edmore, etc.
