HELP KIDS WITH HUNGER

The COVID-19 pandemic has drastically increased the number of children facing food insecurity. The 5K for Child Hunger Relief is raising money for 5 non-profit organizations across Michigan that serve children.

Food insecurity is a lack of stable and reliable means for getting the food that people need. There are many reasons including: access and availability of food, poverty, job instability, food shortages and waste, nutritional quality, and discrimination.

Use the 5K pledge sheet for sponsors to sign-up or donate with a credit/debit card at michiganumc.org/2021virtual5k/
