Invite Your Stewardship Team to Plan for Fall Stewardship Now

Don't wait until Fall to design your annual Stewardship campaign. Don't hurriedly purchase a stewardship package that may or may not fit your church's needs.

Get a head start and create a stewardship plan designed specifically for your congregation. Plan for relevance, impact and inspiration.

Join Rev. Dr. Sherry Parker-Lewis, Sr. Director of Church Relations, for a stewardship team jump-start. Learn about trends in funding ministry, effective stewardship education, and offering a relevant, compelling message.

Stewardship education isn't about raising money, it's about raising up faithful and generous stewards of God's gifts. Stewardship teams are charged with creating cultures of generosity in their churches.

This no-cost training is brought to you by the United Methodist Foundation of Michigan. [Register Here](#)
