If you are local to the area, we welcome you to serve for the day. Please contact a Volunteer Coordinator at **313-949-9077** at least 24 hours in advance to be scheduled to serve. You will then be given directions regarding arrival at our host location.

Each volunteer and/or team member, including youth, should *complete all Volunteer Forms online* at **www.spvolunteer.org**. A **hardcopy version of these forms are available onsite**.

A brief safety orientation is required before volunteering on a Samaritan's Purse site. The orientation is roughly 25 minutes and is only necessary the first day. Volunteers may work a half day or full day (morning, afternoon, or both).

You will be assisting homeowners impacted by flood damage in the area. This could involve cleaning up

flooded homes, and salvaging and/or removing personal belongings. After completing orientation, you will be paired with an experienced team leader to go out to work.
