Note and discuss any areas of significant difference in SPRC and Clergy Self Assessments.

Are there specific areas where the pastor needs to focus on intentional growth / development?

List up to three agreed upon S.M.A.R.T. goals for the coming year. (S.M.A.R.T. Goals are: Specific, Measurable, Attainable, Realistic, Time-Bound)

- 1.
- 2.
- 3.

How will SPRC support the pastor in seeking to attain these goals?

(e.g. Financial resources & time for continuing education, re-prioritizing areas of pastoral ministry, regular feedback and encouragement etc.)

What will the pastor need to stop doing in order to focus on these goals? How will SPRC be supportive in delegating or eliminating certain tasks in order to assist the pastor in achieving these goals?
