**Instructions:**

In the fall of each year, Staff Parish Relations Committees (SPRC) are tasked with completing the annual Clergy Assessment and goal setting process for all clergypersons under appointment. This process is meant to be entered into prayerfully and with consideration for the ministry of the clergyperson over the last year. The SPRC should take seriously the mission priorities of the entire congregation as well as the opinions of individual SPRC members. The results of this assessment and goal setting are to be tools for guiding the ministry of the clergyperson and congregation over the course of the coming year.

1. Each SPRC member shall receive a copy of these instructions along with the “SPRC Assessment of Pastoral Effectiveness” document. Each committee member shall be given ample time to fill out an individual assessment based on his/her experience with the clergyperson in advance of the SPRC meeting where the results of the individual assessments are to be compiled.
2. The clergyperson is to be given ample time to fill out the “Clergy Self-Assessment” document before meeting with the SPRC to discuss their own results.
3. Certain descriptions may not apply to your clergyperson, depending on your ministry setting and the specific role of the clergy. If this is the case, please respond by noting N/A rather than a numerical value.
4. In the clergyperson's absence, but with the clergyperson's knowledge, the SPRC should meet to compile the results of the individual assessments. Numbered results from the individual assessments should be averaged in preparing a **single report**. All comments should also be discussed BUT NOT COMPILED. The committee's discussion will be an important part of the process. From that discussion, the committee will determine the comments to list in the dialogue boxes. These may require a separate sheet. Once the final report is completed, the individual assessments should be collected and destroyed.
5. After the assessments have been compiled, the SPRC will meet with the clergyperson to discuss the compiled results as well as the clergyperson's self-assessment. Together, the SPRC and clergyperson will prepare the “Joint Dialogue” document for assessment, goal setting, and continuing education plans for the coming year.
6. In conclusion, the completed Clergy Self-Assessment, SPRC Compiled Assessment, and the Joint Dialogue documents shall be signed and sent to the District office by the requested deadline.
