

## **Soul Reset**

This a study for everyone who moves at breakneck speed through their daily lives, often relying only on their own strength to bring

God's kingdom on earth. Jesus shows us a different way, an easier, unforced rhythm of what kingdom work looks like. It's a balance of work, rest, play, worship, exercise, and eating well—spiritual practices that keep our souls hydrated and healthy as we do the work of the church in the world.
