

Improving futures for hundreds of children is as easy as A-B-C

A \$500,000 life changing campaign to support children in your community, across Michigan, and in Liberia.

Working together, Michigan United Methodist Churches can change the lives of hundreds of children in your community, across the state, and around the world. Readers to Leaders is a campaign overwhelmingly approved at the 2022 Michigan Annual Conference to support education, literacy, and empowerment of children everywhere. A \$600 gift from your church can support children in three easy steps:

- A** Half of your church donation supports the Liberia Scholarship Fund securing a K-12 education for 100 Liberian children.

- B** Half of your church donation allows hundreds of children to attend Michigan Children Defense Fund Freedom Schools for literacy and empowerment.

- C** Commit to creating a local mission connection at your church with a local school, from gathering school supplies to offering after school tutoring.
