ADDITIONAL INFO

- Check with your local Food Pantry/Bank about what items are most helpful and adjust as needed
- Don't get stuck! Skip a day (or a few) and pick it back up :)
- Make a copy and invite a neighbor or family member to participate too!
- If you have children, encourage them to help shop, put the items in your box, and take them to the food pantry.
- Some food pantries prefer monetary donations. Instead of purchasing the items for each day, make a donation to your pantry.
