

# CREATIVE SUGGESTIONS FOR THE CHRISTMAS WORSHIP VIDEO

## AT CHURCH

Use part or all of the video for regular worship

- Have a smaller group? Use a smaller area of your church to worship together like a chapel, parlor, or youth room
- Worship together with part or all of the video and then do a service project together
- Put together worship bags to send home to congregation and offer to the community

- Ask if there are a few people who will open their homes for "Christmas Worship at Home" to worship and share a snack or meal together
- Put together worship bags to send home to congregation and offer to the community

## AT HOME

Share the worship video on Christmas Day on your usual channels that people can watch from home

## HYBRID

- Use a combination of the above options or add your own
- Put together worship bags to send home to congregation and offer to the community

# POSSIBLE QUESTIONS TO CONSIDER FOR CHRISTMAS DAY WORSHIP

## CONGREGATION

- How is God calling us to be in ministry with our community on Christmas Day?
- What do we have the capacity for?
- How do we care for the older adults who rely on Sunday morning for worship and fellowship?
- How do we care for families with children, people without family, people out of town, etc?
- How could we use the worship bag as an in-reach and out-reach opportunity?

- How do we care for our pastor?
- How do we care for our worship leaders?
- What do we have the capacity for?

## STAFF/LEADERS

- What kind of creative ministry does Christmas on Sunday bring us?
- How do we connect Christmas Eve worship with Christmas morning worship?
- What is our back-up plan for inclement weather?
