Elmo's World: Kindness

God Loves When We Are Kind

Jesus' followers followed him to a grassy hill. They sat and listened while Jesus taught them important things. One of the things Jesus taught is something we call The Golden Rule. The Golden Rule says that we should treat others the way we want to be treated. This rule helps us remember that we are all humans worthy of kindness. When you aren't sure what to do, always try to be kind.

Kindness is:

- doing nice things to show you care

Wonder together:

- How do you want others to treat you?
- Why do you think kindness is important?
- Tell a story about a time when someone was kind to you.

Smarty makes several suggestions about ways to be kind. Try one out today:

- Taking turns, or sharing
- Cleaning up and taking care of the environment
- Giving hugs
