R#2024-10 - "2025 Minimum Salary Schedule"

Mona Joslyn spoke to the resolution.

Motion: The Commission on Equitable Compensation (CEC) moves the following Minimum Salary Schedule (see p. 56 for the full schedule) to be adopted by the 2024 Michigan Annual Conference.

In addition, the CEC asks churches to budget a minimum of \$1,500 for professional expenses and continuing education, exclusive of mileage reimbursements for each full-time clergy person under appointment. For clergy serving less than full-time, the amount set should equal no less than the appointment percentage (i.e., a half-time appointment's minimum would be at least \$750, etc.)

Churches are strongly urged to compensate clergy whose years of service are beyond this chart's years by considering both years of service as clergy and inflation forces. While electing not to provide clergy with a raise might alleviate pressure on the church budget, it places unfair stress on clergy and is demoralizing. For years after 10 it is recommended to add 2% of the year 10 amount for each year the clergy person has served beyond the 10<sup>th</sup> year.

*R#2024-10 adopted*

She posed the question, *What is our call in this moment of challenge and change, of newness and possibility?* After naming many of our modern cultural conflicts and challenges to many of our values, she posited that our Christian faith has what is necessary to move us in a better way, but that going there will take a people who are committed to leading others into a new vision of equity and justice for all. She says the context in which we are doing ministry is *a nation, world, and planet groaning with brokenness and*

*need and a denomination seeking to reform, steady, and strengthen itself to respond with resurrection power.* In answer to her opening question, she offers this answer: 1) Be honest about our context; 2) stay focused on the bigger picture of loving and serving others [which will most likely require a sacrifice of one's personal preferences]; 3) Trust God through the "messy middle" [that difficult period of time between having the vision of something new and the vision being realized]; 4) Keep a God-centered perspective [our cup overflows]; 5) Be a *sent* people [to stand with persons who need support, love, peace, healing, hope, etc].

Let us remind each other and the public that all the world’s major religions have versions of the Golden Rule that counsel us to speak respectfully with others as we would have them to speak respectfully with us.

We urge pastors and lay leaders to use these two resources to advance democracy and good citizenship: General Conference Resolution 3422, “Speaking Out for Compassion: Transforming the Context of Hate in the U.S.” and “Strengthening our democracy,” a statement from 13 presidential centers that promotes, “civil dialogue; respect for democratic institutions and rights; and safe, secure, and accessible elections.” (bushcenter.org, 9-7-23)

We urge Michigan United Methodists and friends to participate in Get Out The Vote (GOTV) with nonpartisan organizations such as the League of Women Voters and the NAACP.

We urge Michigan United Methodists and U.S. citizens to ask nonpartisan questions to evaluate candidates based on historic United Methodist teachings, Scripture, and the 2020/2024 Revised Social Principles.

First, we call upon Michigan United Methodists to communicate the following message to the U.S. President and Michigan's members of Congress. Second, we authorize the Conference Secretary to send the message to the U.S. President, U.S. Secretary of State, and Michigan's two senators. We endorse a two-state solution that is in compliance with the 1947 UN General Assembly approved plan to partition the contested Middle East land into the secure states of Palestine and Israel.

We also embrace President Biden's October 25, 2023, invitation to all involved countries and US allies to support the two-state solution as a way to create a doorway to lasting peace between Israelis and Palestinians.

## CORPORATE SESSION REPORT 2024

The Conference Board of Trustees with its 6 clergy, 6 lay persons and one cabinet representative takes seriously the responsibility of dealing with the legal and property matters of the Annual Conference. I am personally grateful for this team that works together to accomplish the tasks that come before us.

This year the Board elected Matt DeLong to join me as Co-Chairs of the Board. He along with Rob Long, George Lewis and Deb Federau and others take on various aspects of our responsibilities for caring for conference owned and leased properties such as Conference offices, securing and caring for the parsonages that the Conference provides for clergy in Conference leadership and for District Superintendents. This year we secured a new parsonage for the East Winds District, and sold two parsonages that were no longer needed for DS's or Conference Staff.

Further, the Board receives all properties when churches reach the end of their ability to continue ministry and vote to close. A bit later in the Corporate Session we will remember and celebrate the ministries of five (5) such churches .

If there are legal matters that impact the Conference, such as the lawsuits involving the Boy Scouts of America and United Methodist churches, the Trustees carry responsibility for representing the church and work closely with our Conference Chancellor. We were able to pay our obligations for the Boy Scout settlement entirely from reserves thus not impacting the work accomplished through Ministry Shares

Disaffiliation work was mostly completed by December 31 under the able supervision of Rev. Brad Bartelmay, Special Assistant to the Bishop, who guided congregations through the legal and administrative tasks that follow their voting to disaffiliate. As we noted at the special November 30 Session, Brad offered compassionate and grace-filled leadership to this challenging task. Since 2020, a total of 126 churches disaffiliated and the final paperwork has been completed on all but 2 or 3 of those churches.

As I mentioned earlier, the Board's work includes receiving and caring for the churches, parsonages and assets that remain when a congregation comes to the difficult place of needing to vote to close. Since last Annual Conference the Trustees have been involved in selling the properties of 8 congregations. We reported six sales in the preliminary report, we have now sold Bentley and we have a scheduled closing for Silverwood. Ubyly is in final stages of being donated, and we are currently working on the sale of Rodney UMC and Forester UMC. A repurposing of the Ames UMC is currently in process which will likely evolve into both a sale and a new emerging ministry. Several of these properties had been approved for closure at prior Annual Conferences.

Since last Annual Conference, 5 churches have come to the decision that they must close. I turn now to Rev. Dr. Margie Crawford, Dean of the Cabinet, to bring us a report and a motion as we pause and remember these congregations.

[Crawford shared her "legacy report" and highlighted the work and ministry of the churches closed at this annual conference session.]

1. An amount equal to 100% of the retirement and disability plan distributions received during the year 2025 is hereby designated as a rental/housing allowance for each retired and disabled ordained, commissioned, or licensed clergyperson of The United Methodist Church who is or was a member of the Michigan Conference at the time of his or her retirement or disability.

### R #3 – Policy for the Protection of Children, Youth, and Vulnerable Adults (Effective June 01, 2024)

It was resolved by the Michigan Conference: *See Policy document following this list of Resolutions.*

### R #4 – Create an Exploratory Campus Ministry Fund Task Force

It was resolved by the Michigan Conference:

Whereas the Division of Higher Education and Campus Ministry (DHECM), housed under the Board of Young People's Ministry (BYPM), has the responsibility "to establish, where appropriate, foundations or other means to ensure the ongoing support of the annual conference program of ministry in higher education," as stated in Paragraph 634.4.b.3 in *The Book of Discipline of The United Methodist Church (2016)*, the Michigan Conference of The United Methodist Church shall create an Exploratory Campus Ministry Fund Task Force ("the Task Force") with the following purpose, membership, organization, and amenability:

**Purpose:** To explore the possibility of creating a Campus Ministry Fund (“the Fund”), and, if creation of the Fund is deemed possible, to create a plan that establishes, defines, and outlines use for the Fund.

If the Task Force deems the creation of the Fund possible, then a plan for creation shall be presented to the Annual Conference. If a vote on the plan is necessary, it shall be presented for consideration and vote. The Task Force shall have a goal of presenting the plan to the 2025 Annual Conference, but if the plan is not completed by 2025, the Task Force shall give an update to the 2025 Annual Conference and shall bring the plan to the 2026 Annual Conference.

**Amenability:** The Task Force is amenable to BYPM.

### **R #5 – Commitment to the People of Haiti**

It was resolved by the Michigan Conference:

That the Michigan Conference of The United Methodist Church enters into the following commitment, as described below, with the people of Haiti through our Haitian partners.

In thankful recognition and faithful allegiance to the call of the Holy Spirit who equips and enables the church community to be in ministry and mission together, we resolve to join in partnerships that demonstrate Christ’s love to the communities and people of Haiti and empower them to improve their lives and thrive. We respond in faith and love reaching beyond our geographic boundaries in mutual servanthood by joining together our gifts and graces in a shared vision of ministry with Haitian ministry partners.

We commit to work with these Haitian partners through our *learning, giving, and actions* by:

1. Praying for each other on a regular and recurring basis.
2. Engaging in efforts to *learn* about each other, including our history and cultures, our blessings and challenges, our passions and needs, and our faith and life.
3. Engaging in and promoting opportunities for members of the Michigan Conference of The United Methodist Church to *give* of their prayers, presence, gifts, service, witness, and resources to Haitian ministry partners.
4. Engaging in *actions* that demonstrate Christ’s love and empower the people of Haiti to improve their lives and thrive.
5. Advocating for the people of Haiti for peace, justice, hope, redemption, and transformation.
6. Cooperating and coordinating with other agencies, organizations, and projects that share these and similar goals, especially UMCOR, UMVIM, the General Board of Global Ministries, and other conferences and churches to be determined using the process established by the Haiti Taskforce.

### **R #6 – A Call for Peace with Justice in the Middle East**

It was resolved by the Michigan Conference:

The Michigan United Methodist Conference urges United Methodists to call on Congress and the President to support steps for establishing a peace based on justice for all peoples in Israel and Palestine. We urge United Methodists to take steps in their own communities to build peaceful relationships with and deeper understanding of their Jewish and Muslim neighbors. To that end, we encourage United Methodists to:

1. Condemn violence in all its forms, whether perpetrated by Hamas and other terrorist groups, or the IDF (Israel Defense Forces).
2. Call for a ceasefire by all parties so that innocent Palestinian and Israeli citizens can rebuild their lives and work toward establishing a just peace.
3. Communicate directly and regularly with our elected representatives to support policies that lead to a peaceful and just resolution for all people in the Middle East, such as policies supported by the General Board of Church and Society's recommendations for legislation.
4. Work toward eliminating Antisemitism and Islamophobia.
5. Include Palestinian and Israeli histories and issues into ABAR (Anti-Bias, Anti-Racist) training.

Finally, we resolve that until lasting efforts toward peace are made, the Michigan Conference of The United Methodist Church will not advertise, encourage, or support Holy Land excursions including those promoted by and offered through Educational Opportunities Tours.

### **R #9 – Witnessing and Voting for Civility, Compassion, and Democracy**

It was resolved by the Michigan Conference:

The Michigan Conference of The United Methodist Church urges all United Methodists and United States citizens to use personal courtesy (PC) in political conversations and to vote for civility, compassion, and democracy.

We urge Michigan United Methodists to speak out against politicians who use dehumanizing language, vulgarities, name calling, insults, and veiled threats of violence.

We urge pastors and lay leaders to use Sunday School lessons, communications, sermons, letters to the editor, op eds, and advertisements to remind Americans to be civil and compassionate in political conversations. Let us remind each other and the public that all the world's major religions have versions of the Golden Rule that counsel us to speak respectfully with others as we would have them to speak respectfully with us.

We urge pastors and lay leaders to use these two resources to advance democracy and good citizenship: General Conference Resolution 3422, "Speaking Out for Compassion: Transforming the Context of Hate in the U.S." and "Strengthening our democracy," a statement from 13 presidential centers that promotes, "civil dialogue; respect for democratic institutions and rights; and safe, secure, and accessible elections." (bushcenter.org, 9-7-23)

We urge Michigan United Methodists and friends to participate in Get Out The Vote (GOTV) with nonpartisan organizations such as the League of Women Voters and the NAACP.

We urge Michigan United Methodists and U.S. citizens to ask nonpartisan questions to evaluate candidates based on the 2020/2024 Revised Social Principles.

### **R #10 – 2025 Minimum Salary Schedule**

It was resolved by the Michigan Conference:

The Commission on Equitable Compensation (CEC) moves the following Minimum Salary Schedule to be adopted by the 2024 Michigan Annual Conference.

In addition, the CEC asks churches to budget a minimum of \$1,500 for professional expenses and continuing education, exclusive of mileage reimbursements for each full-time clergy person under appointment. For clergy serving less than full-time, the amount set should equal no less than the appointment percentage (i.e., a half-time appointment's minimum would be at least \$750, etc.)

Churches are strongly urged to compensate clergy whose years of service are beyond this chart's years by considering both years of service as clergy and inflation forces. While electing not to provide clergy with a raise might alleviate pressure on the church budget, it places unfair stress on clergy and is demoralizing. For years after 10 it is recommended to add 2% of the year 10 amount for each year the clergy person has served beyond the 10<sup>th</sup> year.

8. Matters of known or suspected abuse or neglect are to be kept confidential, except as required by law, to assist appropriate agencies in their investigations, or as disclosed to Conference representatives with a need to know such information consistent with the requirements of the law. Indicate credential of persons in Part II: FD, FE, PD, PE, and AM when requested.

13. Are all the clergy members of the conference blameless in their life and official administration

**We take very seriously the call to moral excellence in the lives of clergy, knowing that only by the grace of God can any of us be blameless in our life and official administration. All persons stand in need of the grace of God and of the love and forgiveness of the Christian community.**

**In signing below and submitting this statement to the Board of Ordained Ministry, we the district superintendents, attest that all the clergy members of the conference are blameless in their life and official administration, or are involved in supervisory or complaint processes, and in signing below the Bishop David A. Bard attests the same for the district superintendents.**
